(ONE NAME PER PAVER) Please follow these simple steps when creating your hand drawn image.

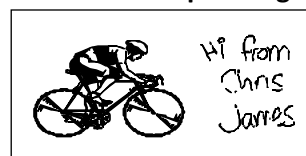

- Draw your image in the space provided below (The size is the same as the available area of a paver).
- Draw your image using a good quality medium thickness black marker pen (about 2mm thick). **Do not use a ballpoint pen, coloured texta or pencils!**
- Make sure that you rub out any pencil lines as these will show up in the finished paver.
- **Do not include computer generated or pasted pictures – The hand drawn image engraving process is set up to engrave hand drawn images only.**
- Sample #1 has been drawn correctly. Sample # 2 is incorrect as it has a computer generated image and the text was written with a ballpoint pen.

This is OK.
